Junior Highlights

October 29-November 2, 2007

Fundraiser starts NOW!

Let's raise money for technology and reach the goal of \$25,000 in sales to send Mr. Gaudi on the roof!

The *Kids Rule* catalog combines Disney and nostalgic "Mickey Mouse," along with many other great licensed artists such as Mary Engelbreit, Susan Zulauf, Flavia, and Debra Jordan Bryan, to offer great collectable products for you and your community.

With over 210 items to choose from, 50% are priced \$8.50 or less, offering the majority of items at a very affordable price. Perfect for collectors too! Stationery, calendars, wrapping paper, ribbons and bows, kitchen necessities, and chocolates are just a few of the categories offered in *Kids Rule*. Best of all, 80% of the items are Fresh Ideas For Your School exclusives! And don't forget the prizes! There are prizes for selling only one item to the largest prize of a Wii Nintendo Gaming system for selling 200 items or more. Contact close neighbors and friends, ask your parents to take a brochure to work. **All orders are due by October 31.**

Please note there will be NO PIZZA LUNCH on November 7th

J.V. VOLLEYBALL

Our JV volleyball teams are off to a good start. Both the girls and boys won their first game. There are no games scheduled for next week. Our next game will be on Tuesday, November 6 at Our Redeemer.
